## Creating/ Modifying Equipment

Equipment are the physical items used in performing Exercises and are of different types (i.e. Machine, Free Weight).

### Getting Started

Select 'Equipment' under the books icon (  ). You can then select the 'New Equipment' button to create new Equipment, or find a piece of Equipment from the list.

*\*\* Since creating a new piece of Equipment and modifying an existing one are similar, we will continue with creating Equipment.*

In the resulting popup,

- Enter a name for the Equipment
- Select the Equipment type from the corresponding drop-down

The image shows a dark-themed popup window titled "New Equipment". It contains two input fields: a text box labeled "\* NAME" and a dropdown menu labeled "\* EQUIPMENT TYPE". Below the fields are two buttons: a green "Create" button and a grey "Cancel" button.

When entering all information is complete, select the 'Create' button to add the new Equipment.
