

Body Boss

Feature: Player Profile

Tired of keeping multiple files just to track your players' birthday, weight, phone number, or even parents' contact details? Player Profiles in Body Boss tracks it all for you safely and securely. Even track recent workouts completed by the player and key stats. Yes, it's that simple and easy to use.

Getting Started

From the Roster page (under the Team icon ()), select a player.

Body Boss

This section shows the Workout Program(s) that have been assigned to the Player, and associated Workouts to complete

This section shows the recent Workouts that have been completed and submitted for the Player

The Workout Programs that have been assigned to the Player (via his/ her Player Group(s)) can be viewed and selected under the drop-down in the 'Workouts' tab.

Note: if you do not see the drop-down list and only show one Workout with a 'Continue' button, this mean you must go into the Workout and either Submit or Delete the workout.

Body Boss

Statistics for the Player for each of the Key Exercises including Rankings, Personal Record, and Percent Change over 60 days.

Graphs of the Player's progress for each Key Exercise for the last 60 days.

Each Player's Key Exercises are shown in the Stats page including their rankings in the Absolute, Pound-for-Pound, and Most Improved Leaderboards (each Ranking can be clicked to view the full Leaderboard).

Also, the current personal record and 60-day change is noted.
